

# TOWNSHIP OF ALMENA

## 2021 – 2022 Snowplowing Season

Dear Township Resident:

You are receiving this letter because you were on our driveway snowplowing list last year and requested a mail delivery for the upcoming years snowplowing contract. You will find the 2020-2021 snowplow agreement form included with this letter. We are having issues with our website subsequently the due dates are extended. The plowing rates will be **\$225** for the year, if paid before October 31<sup>st</sup>. If paid after November 1<sup>st</sup>, the rate becomes **\$275**.

If you are interested in having the Township plow your driveway again this year, please fill out the 2021 – 2022 snowplowing agreement and send it, along with your check to the address shown on the agreement. Please note that we are asking for your email address on this year's form and whether you are a full-time resident. Next year I would like to email the snowplow agreement form to you rather than paying for postage and supplies. If you do not have email available, just enter "None" for that question and you will receive it in the mail.

Please DO NOT use steel fence posts to mark driveways.

Again this year, JDS Concrete will be offering contracted driveway sanding. If you are interested in having any sanding done this winter, please contact one of the following to set up an appointment for an estimate:

Jim Stoeberl - (715) 790-6098

Dale Stoeberl - (715) 641-0305

Again, please remember, I only collect the snowplowing fees and make the list of people that want to be plowed. **Harland Becker** assigns the driveways to the men that will be plowing them, so, any problems regarding the plowing itself needs to be directed to him personally, I cannot answer any of those questions. Harland's phone number is **715-556-5672**.

Thank you,

Hoyt Rose, Treasurer
